COMPANY PROFILE

OUR HISTORY 1975/2018

BIKERIBBON
HAS LED CHANGE
IN BICYCLE
MATERIALS,
PERFORMANCE
AND CULTURE.

Bike Ribbon is a leading company for bicycle accessories who have nurtured a profound experience after many years of activity and close contact with the world of racing and developing products for the uncompromising world of professional cycling. All of this effort along with the passion that we put in each product produces a range that is unique in every detail. Every product which is produced by us is individually controlled from the design to the finished product. All phases of the production are monitored to ensure the highest quality that our customers require.

COMPANY PROFILE

WHERE WE ARE
WHAT WE MAKE

WHY GO DOWN
THE TWISTED ROAD
WHEN SOMETIMES
THE SOLUTION
IS EASILY AND
IMMEDIATELY
AVAILABLE?

From their home in the beautiful Brianza region north of Milano, the Alberti family dedicates their experience, knowledge and passion to providing some of the most innovative Italian road cycling products on the market today. But more than simply creating high-end bike equipment, the Albertis commit themselves to understanding you the cyclist, whether you race for a living, train for fitness or are involved in a cycling-related business. This translates to products that constantly push the envelope of design, innovation, development.
